

PROARGI-9+ IMMUNE BOOSTER

Advanced immune system support.

Item# 23105
30 Single-Serve Packets

Proactively strengthen your body's ability to protect itself with ProArgi-9+ Immune Booster. Formulated by leading scientists to work with your body's own nitric oxide, Immune Booster works to circulate powerful immune-enhancing ingredients. Each daily serving contains vitamins, minerals, polyphenols and fruits that will support and defend your immune system.

Combine ProArgi-9+ Immune Booster with ProArgi-9+ for increased health benefits. This combination supports healthy circulatory function, powering vital immune-supporting nutrients throughout your body and creating the optimal effect for immune strength, cardiovascular support, and overall Elite Health.

BENEFITS

- Supports normal function of your immune system
- Protects cells from oxidative stress
- Contributes to normal energy metabolism
- Contributes to the reduction of tiredness and fatigue
- Combining with ProArgi-9+ enhances your body's ability to benefit from both formulas
- Delicious Mixed Berry flavour

KEY INGREDIENTS

- Vitamins C, D3, & B6
- Yeast-derived beta glucans
- Fructooligosaccharides (FOS)
- Natural fruit extracts
- Zinc

RECOMMENDED USE

Mix 1 serving (1 packet) with 240 ml of water. When combining with ProArgi-9+, mix with 350-530 ml of water, adjusting for taste.

Warning: Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied diet. A varied and balanced diet and a healthy lifestyle are important. Excessive consumption may produce a laxative effect.
