

PROARGI-9+

AND THE PHYSICIANS' DESK REFERENCE

“PROARGI-9+ IS THE HIGHEST QUALITY L-ARGININE SUPPLEMENT IN THE WORLD.”

—Prescribers' Digital Reference (2019)

ProArgi-9+ has once again been included in this year's edition of the Prescribers' Digital Reference (PDR), formerly known as the Physicians' Desk Reference, providing a greater opportunity for people to discover the tremendous benefits of our best-selling product.

For more than 70 years, medical specialists across the world have turned to the PDR as the authoritative source of information on drugs and prescribed substances. Now available exclusively in a digital format, the 2019 edition of the PDR continues to be utilized in virtually every physician's office, pharmacy, clinic, and library. No medical reference is more current, more recognized, or more respected. The PDR contains label information, dosage instructions, images, and more.

We hope this publicity encourages more people to discover and share ProArgi-9+ and its value in supporting a healthy lifestyle.

Note: The 2019 Edition of the PDR containing information about ProArgi-9+ is available only digitally. Illustrations showing a physical book are simply a reference to the historical, widely recognized format.

“ProArgi-9+ is the highest quality L-arginine supplement in the world. This proprietary formulation combines the powerful cardiovascular benefits of L-arginine with a variety of superior heart health ingredients to give your cardiovascular system optimum support.

ProArgi-9+ was formulated in collaboration with leading scientists and cardiovascular specialists who have conducted extensive research on the proper application of L-arginine in promoting heart health. With ProArgi-9+, you're giving your heart the supplementation it needs for a long, healthy life.*”
